Dear Member,

November 2017

Re Membership Fees for 2018-19

Please find on this website the membership form for the forthcoming season. The club membership year is from April 1st until March 31st. The Membership Pack, which will include a Fixture/Members Booklet, and a Car Pass(es) will be posted to the main address given by yourself on the completed Application Form. Please post the completed form and remittance (cheque please NO CASH) to myself, Amanda Schaufler Membership Secretary to the address at the bottom of this letter. **Payment may also be paid by BACS to the club account Sort Code 40-20-32, Account No. 01194976 (use your name as a Reference please), however the application MUST still be returned to Amanda with a note to advise that BACS payment has been submitted.**

The address is repeated on the Application form as well. We are no longer issuing membership cards as they have no relevant use any more. If you need additional forms, you can always download additional them from our website: (<http://www.exmouthcricketclub.co.uk/forms.html>).

As usual we are offering an "early bird" discount for payment before April 30th.

Since the AGM in November your Executive Committee has been busy putting together its programme for the year ahead. This has included deciding its spending priorities for the year and dealing with a host of other financial matters as well as enabling repairs and improvements to the ground, equipment and Clubhouse to go ahead. In particular the Club is being very active in trying to attract new sponsors to support us and hope to be rewarded with great support from several local businesses. These, together with our existing sponsors, will be listed in the new Members booklet and I hope you will be able to support these local businesses throughout the summer. The next Newsletter will outline all these matters in a little more detail.

In the meantime the Club will be preparing its new Members booklet, new membership cards and parking passes. The AGM set the new membership fee rates for 2018/9 and which include a discount for early payment.

As Membership Secretary, I hope you will continue to support the Club in every way possible. As well as match days the Club hosts many other activities including the very popular Friday Colts evenings with BBQ, a well-stocked bar, and special events. Members can also take advantage of our very generous sea front parking arrangements.

This year will start with the self help CricketForce weekend on 24th – 25th March when volunteers are encouraged to come to the Maer Ground to help with a wide range of jobs, repairs and preparations for the new season.

We have an exciting list of cricket fixtures coming up which will be published shortly.

The T Hut, through Lucy, Kay and their team, will continue to provide excellent refreshments and service at the Ground all through the summer months and beyond.

I do so hope you will continue to support us with your membership, visit the Club regularly and encourage other cricket fans to do the same.

Yours faithfully

Amanda Schaufler

Membership Secretary
